## Powerful resources for discipling new believers

Bring the power of discipleship into new believers' lives and they will become more solidly planted in biblical truth. With these two books, your church can help lay a firm foundation for new Christians to build their faith.

Gather some volunteers for new believer discipleship and give them *The New Believer's Friend Handbook*. Then when people make a decision for Christ through one of your services or ministries, provide them with *The New Believer's Handbook* and match them with a mentor.
