Acts

STANLEY M. HORTON

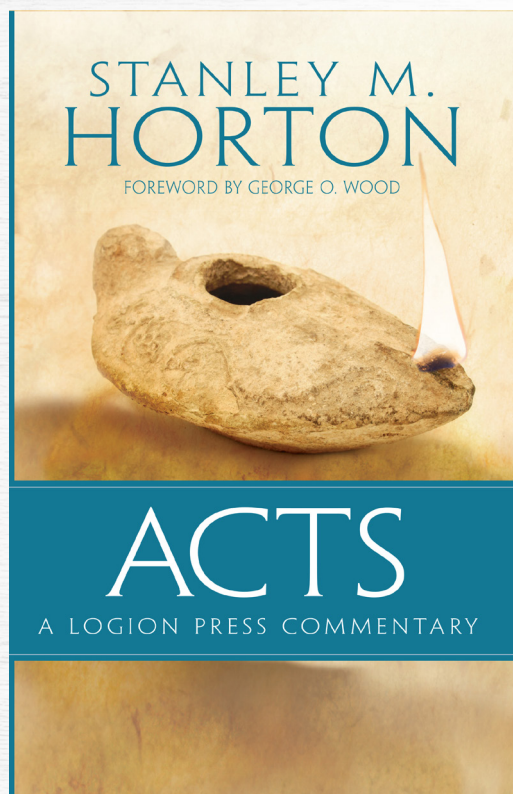

Distinguished Pentecostal scholar Stanley Horton takes an in-depth look at the story of the Early Church. This powerful book is an excellent foundational study for church staff, Sunday School classes, or individual study.

Horton takes each Scripture to share the overarching truth that the Early Church's story is still being written in the lives of believers today. He brings a compelling combination of research and experience to this study of Luke's inspired record.

Complete with maps, Scripture index, and subject index.

Knowing the Doctrines of the Bible

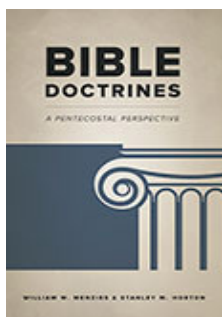

MYER PEARLMAN

Combining biblical and systematic theology, this trusted choice for Bible study is guided by two questions: What do the Scriptures say? What do the Scriptures mean?

It is systematic in its arrangement by topic. Topics include the existence, attributes, and nature of God; angels and Satan; the origin and nature of man; the fact, nature, origin, and consequences of sin; atonement in the Old and New Testaments; the nature and security of salvation; and death, resurrection, and the future life. Also includes an in-depth study of the Holy Spirit.
